

Bishop Milner Catholic College

Privacy Notice

Data Protection Act 1998: How we use your information

The Multi Academy Company (MAC) St John Bosco Catholic Academy is responsible for the activities of all of the schools in the MAC, even though some functions may have been delegated to local Heads of School or Local Governing Bodies. The MAC is the legal entity responsible for the processing of personal data by the school and is the entity subject to DPA registration obligations.

The Bishop Milner Catholic College is a college within the Multi Academy Company of St John Bosco Catholic Academy.

We collect and hold personal information relating to our pupils and may also receive information about them from their previous school, local authority and/or the Department for Education (DfE). We use this personal data to:

- support our pupils' learning
- monitor and report on their progress
- provide appropriate pastoral care; and
- assess the quality of our services

This information will include their contact details, national curriculum assessment results, attendance information, any exclusion information, where they go after they leave us and personal characteristics such as their ethnic group, any special educational needs they may have as well as relevant medical information. For pupils enrolling for post 14 qualifications, the Learning Records Service will give us the unique learner number (ULN) and may also give us details about your learning or qualifications.

Where you have a care plan that has been set up in partnership with Health Services and the school, this may be shared with staff within the school environment to ensure that it is adhered to correctly. It may be held on the Schools computer systems.

As a local authority, we are committed to protecting and safeguarding children and young people in the Borough. The Multi-Agency Safeguarding Hub (MASH) is a co-located arrangement of agencies integrated into a multi-agency team.

The Single Point of Access Team (SPA), which is the single point of contact for safeguarding concerns, and the MASH share information appropriately and securely on children or young people in order to take timely and appropriate actions. The teams also provide information and advice across a range of child and family services.

Where you have been involved in an accident, an Accident/Incident Report Form will be completed which will include details of the accident including information about you. This information will be passed to the Corporate Health and Safety Team at Dudley MBC. This information will be accessed by Dudley MBC employees, who legally require access to this data, for purposes related to this incident, and may be shared with others to allow us to comply with our statutory duties'.

Once our pupils reach the age of 13, the law requires us to pass on certain information to Dudley MBC who have responsibilities in relation to the education or training of 13-19 year olds. We may also share certain personal data relating to children aged 16 and over with post-16 education and training providers in order to secure appropriate services for them. A parent/guardian can request that **only** their child's name, address and date of birth be passed to Dudley MBC by informing **Mrs J Gill**. This right is transferred to the child once he/she reaches the age 16. For more information about services for young people, please go to our local authority website <http://www.dudley.gov.uk/kids/>

For more information about young people's services, please go to the National Careers Service page at <https://nationalcareersservice.direct.gov.uk/aboutus/Pages/default.aspx>

It is strongly recommended that pupils and their parents do not opt out of the information being shared with Youth Support Services as this information is used to identify young people within Dudley schools who will need support from the Connexions service to move to a positive destination after leaving school and therefore complies with the Raising of the Participation Age.

We will not give information about you to anyone without your consent unless the law and our policies allow us to.

If you want to receive a copy of the information about your son/daughter that we hold, please contact **Mrs H Parkes**. If you require more information about how the school collects and uses your information, then please go to the school website:

<http://www.bmilner.dudley.sch.uk/pages/about-school/policies.asp>

If you are unable to access this website a copy of this information can be sent to you.

We are required, by law, to pass some information about our pupils to the Department for Education (DfE). This information will, in turn, then be made available for use by the LA

DfE may also share pupil level personal data that we supply to them, with third parties. This will only take place where legislation allows it to do so and it is in compliance with the Data Protection Act 1998.

Decisions on whether DfE releases this personal data to third parties are subject to a robust approval process and are based on a detailed assessment of who is requesting the data, the purpose for which it is required, the level and sensitivity of data requested and the arrangements in place to store and handle the data. To be granted access to pupil level data, requestors must comply with strict terms and conditions covering the confidentiality and handling of data, security arrangements and retention and use of the data.

For more information on how this sharing process works, please visit: <https://www.gov.uk/guidance/national-pupil-database-apply-for-a-data-extract>

For information on which third party organisations (and for which project) pupil level data has been provided to, please visit: <https://www.gov.uk/government/publications/national-pupil-database-requests-received>

If you need more information about how our LA and/or DfE collect and use your information, then please go to the following websites:
