

Curriculum Plan physics year 12
2016

Autumn Term	Spring Term	Summer Term
AQA Physics A Unit 1 Matter and radiation RDA Quarks and leptons RDA Forces and Equilibrium SBH Determine g by free fall On the Move SBH	AQA Physics A Unit 2 Electric Current SBH Resistivity of a wire Waves RDA Stationary waves Youngs double slit experiment	Revision and consolidation Assessment - mocks
HALF TERM		
Quantum Phenomena RDA Force and Momentum SBH Work Energy and Power SBH Materials SBH Youngs Modulus	Optics RDA Practical 2 Youngs slits DC Circuits SBH EMF and internal resistance	AQA Physics Unit 4 Gravitational Fields RDA Motion in a circle SBH

Bishop Milner Catholic College
