

Bishop Milner Catholic College

Curriculum Plan - Health and Social Care

YEAR 13

Autumn Term	Spring Term	Summer Term
<p><u>U5</u>"The 3 people you meet in term 1" We look at the basics of theories and apply them to our first case studies.</p> <p><u>U6</u>"Those two and You" We continue our workshops on the headings for sections A and B of the assignment. Particular focus on analysis of interviews and our own reflective analytical section B2.</p>	<p><u>U5</u>"The 5 people you meet in term 2" We continue through five more case studies and look further at how we can work with these clients using theories"</p> <p><u>U6</u>"Compare and Contrast" A focus on the work for section C of the assignment in comparing and contrasting the work of the two job roles and evaluating our suitability for them.</p> <p>A final push for finalising the assignment work and producing the portfolios for examination</p>	<p><u>U5</u>"Nature or Nurture?" Biological and behavioural explanations of language development</p> <p><u>U6</u>"Just a Minute" Any last minute adjustments to the work required for postal submission.</p>
