

## **Step by Step Guide to Applying to Bishop Milner Sixth Form**

1. Apply online through our personalised Google Forms application. You will need to have to hand information on your predicted grades for the subjects you study at GCSE.
2. Ensure you have read the Bishop Milner Sixth Form prospectus. Identify the three courses you would like to study. These can be all A Level or all BTEC qualifications or a mixture of the two! You will also be asked to select a reserve choice in case your subject combination is not available.

Please make a note also of the subject requirements for each qualification you select as these differ between courses and subjects.

3. Submit your application. The college will contact your current school for references. If your application is successful you will also be invited in to college for an interview. Bring your predicted grades and latest report, as well as a [personal statement](#) so we can learn more about you and why you want to study your selected courses.
4. A member of college staff will contact you if you are successful and send you a conditional offer based on your predicted grades. At this stage you will be asked to complete a more detailed Admissions Pack to prepare you for admission into college the following academic year.
5. Prepare yourself! If you have received a conditional offer you will be invited into college for an induction day to get a taster of what studying at Bishop Milner is all about, and to help prepare you for the next stage of study. The next time we see you will be on GCSE results day when you will be asked to come in and formally enrol with the evidence of your results. See you then!
