

26 April 2021

Dear Parents/Carers

LOCAL ELECTIONS THURSDAY 6 MAY 2021

Our college is being used as a polling station for the Local Elections being held on Thursday 6 May.

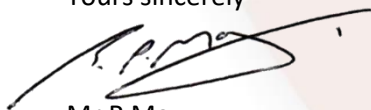

We realise that this is not ideal given the last 12 months however please can I assure you Dudley Council did make every effort to utilise other facilities but our campus was required to serve the local community.

College will be closed to students other than those students in Years 11 and 13 due to ongoing GCSE and A Level assessments.

Whilst there will be no requirement for students to attend live lessons online in Years 7, 8, 9, 10 and 12, teachers will be setting work on Microsoft Teams to minimise the disruption to learning. Please encourage your son/daughter to complete any work set.

Please be reminded that Monday 3 May is a Public Holiday and college will be closed to staff and students.

Yours sincerely

Mr R May
Principal
