

9 July 2021

Dear Parents/Carers

Monday 12 July – Optional delayed start to the school day

As you will be aware, England play Italy in the Euro 2020 cup final at 8pm on Sunday 11 July.

As a college we would like to support families and students by allowing them to enjoy this special occasion and we recognise the game could end significantly later on Sunday night. For this reason we are offering an **optional later start to college on Monday morning**. If your son or daughter wishes to arrive at 10am, they will be registered with their form tutor and they will attend P2 as normal at 10.20am. If your son or daughter wishes to attend college as normal at 9am, they will be registered as normal and spend the first hour of the day with their form tutor.

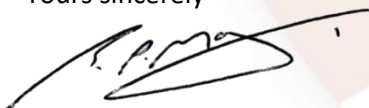

No child will receive a late mark by attending college at 10am.

Please note all staff will be in college from 8.50am and all safeguarding procedures will be followed in support of your sons and daughters.

We hope by making this adjustment to Monday, it will encourage students to attend college having had that extra hour to make up any sleep that may have been lost.

We trust parents and carers will support this decision and we look forward to what hopefully will be a winning weekend.

Yours sincerely

Mr R May
Principal
