ST JOHN BOSCO CATHOLIC ACADEMY

Senior ICT Technician

37 hours per week

Grade 6 - £22,572 to £24,921

The St John Bosco Catholic Academy is seeking to appoint an experienced Senior ICT Technician to work with a group of our academies. This post is an exciting opportunity for any applicant who would like to be involved in working across multiple sites, supporting the development and maintenance of our ICT systems within schools.

This post is part of a service level agreement between a number of our MAC academies with the opportunity to be developed further as our MAC grows.

The successful candidate will:

- have experience of working with a vanilla network
- demonstrate an ability to support the development and implementation of improvements to ICT systems and infrastructure
- develop other technical staff within the team
- be commuting between sites on a regular basis
- be forward thinking identifying and implementing solutions to risks, ensuring that security of the academy systems remain robust.
- have experience of working within schools
