

16-19 Bursary Catch-Up Plan

Bishop Milner Catholic College

Summary information					
School	Bishop Milner				
Academic Year	2020-21	Total Catch-Up Premium	£1471	Number of pupils	9

Guidance	
<p>The 16 to 19 tuition fund is £96 million of one-off funding for the 2020 to 2021 academic year only. It is ring fenced funding for schools, colleges and all other 16 to 19 providers to mitigate the disruption to learning arising from coronavirus (COVID-19). The funding is being provided to support small group tuition for 16 to 19 students in English, maths, and other courses where learning has been disrupted. For example, vocational courses where assessment has been deferred because of lockdown. Although the actual tuition does not need to be for GCSE English or maths, the students supported all need to be those who had not achieved grade 5 or above in at least one of those subjects at this level by age 16. All supported students must be on a 16 to 19 study programme.</p>	
Use of Funds	EEF Recommendations
At Bishop Milner the funding will be used to support students in small group sessions with specialist teachers, to provide additional resources to support learning outside college and resources that will support further online learning.	Small group support and

Identified impact of lockdown	
Year 12	Students were unable to access resources and staff time that would have seen additional support in the final term of their year 11. The skills that students would have learnt in this time have been lost and the acceptance onto new pathways, that don't involve Core subjects, will have given a back seat to these qualifications now they are on new programmes of Study.

Planned expenditure -

i. Teaching and whole-school strategies

Desired outcome	Chosen approach and anticipated cost	Impact (once reviewed)	Staff lead	Review date?
To support students in improving their Maths GCSE qualification	Small group support for students in Maths 2 x 20 minute sessions per week for 21 weeks @50per hr = £700	Students to be on track to achieve improved grade in GCSE Maths	JHM / SBO	April 2020
To support students in developing their extended writing	Development of English language skills will support students in all qualifications and future pathways.	Students will have developed their extended writing.	KTO	
Provide additional workshops and study skills sessions to targeted students to improve their written communication and basic numeracy skills.	Providing additional opportunities for students to improve study skills will support the missed guidance usually received at the end of KS4 £90	Longer written responses to answers in their chosen subjects will improve.	SWI/ KTO	
			Spend	£790

ii. Additional Approaches

Desired outcome	Chosen action and anticipated cost	Impact (once reviewed)	Staff lead	Review date?
Improve fluency in mathematical key skills	Additional paper-based resources provided to students in Maths 5 x £10 = £50 Students have additional resources to support their small group sessions, repetition of skills and knowledge	Key skills will have been mastered and grades improving.	JHM/ SBO	
Develop Wider reading of their subjects at KS4 and increase use of vocabulary and use of sources	Provide additional resources to students in the subjects they now study to support in widening their knowledge base and re-inforce the pre-requisite skills from KS4 they may have missed. 9x £70 = £630	Written responses will improve, linked to subject specific knowledge and identified skills gaps in new courses will close.		
			Spend	£680

			Total Spend	£1470
